Support military staff
during deployment with
family assistance

Educate local military about
our programs and
the benefits we provide

Support the local military
throughout the year
when they request assistance

I WANT YOU

TO BE THE LEGION LIAISON FOR YOUR LOCAL MILITARY!

Mission:

- First and foremost is to provide family support and assistance through the deployment cycle
- Inform all military members and their families about the services and programs we provide
- Must be dedicated to fostering a strong everlasting relationship with the local military
- If you are interested in the liaison position then please contact your local Post Commander
- The Post Commander must appoint a local member into the position then forward that contact information to Department Headquarters, Attention: Membership Department.
- The Membership Department will update a directory with the post appointed Liaison and mail the Commander the point of contact information for the local military within your area.
